What is it like here?			What is the weather like in the UK?		What can you see at the coast?	Where am I?			Would you prefer to live in a hot or cold place?		Would you like to live in Shanghai?		Why do people live near volcanoes?		What are rivers and how are they used?		Where does our food come from?		Who lives in Antarctica?		Are all settlements the same?		Why are rainforests important to us?		What is life like in the Alps?		Would you like to live in the desert?		Where does our energy come from?		Why do oceans matter?		Can I carry out an independent fieldwork enquiry?		Why does population change?
