Key Steps Gymnastics competition years

For the first time ever the Key Steps Gymnastics festival involved 3 different competitions running alongside each other. There were 110 gymnasts competing in either the school team year 3 /4, individual club year 3 /4 and open year 5 /6. It was a resounding success with some incredible performances on floor and vault in each competition. Idsall PE staff also offered a chance to learn some new skills on the trampoline whilst they were waiting. A huge well done to all who took part from each of our 4 family areas; in the year 5 /6 open competition in 3rd place was Connor Mackay and Lissy Brickley , 2nd was Rebecca Whitehead and in 1st place was Elizabeth Brown. In the club year 3/4 competition in 3rd place –Tom Cambridge, 2nd –Brooke Howes and 1st place—Isabella Devall. Final results from the year 3/4 school team 3rd—Albrighton, 2nd and 1st—Shifnal. Good luck in the winter games!

ESSP Basketball Tournament

OWS hosted this years KS2 basketball tournament attended by 18 teams from 13 different primary schools attended with a selection of Year 5 and 6 students. The winners of the tournament progress onwards to represent East Shropshire in the county games. The games were refereed by OWS Year 8 leaders so that the play and results were accurate. As well as 1st, 2nd and 3rd place being awarded to the schools there was also a respect award. This award is chosen by the other schools who are competing and it is based on the school who show the most respect to each other, other teams and other members of staff. Final results were 1st Shifnal A, 2nd Worfield A, 3rd St Johns A

Leadership – Yr5 Active Starters training

On 27th November 30 Y5 leaders from 7 WBS partner primary schools joined together at Brockton primary to look at how they could get everyone at their schools involved in active play. They looked at lots of different playground games that could involve large numbers or games that were played in pairs or small groups. They had to think about their communication skills, how to organise children in the available space at their school and how to make things fun and encourage those children who don't normally get involved to join in.

Mrs Humphreys who has taken over the leadership role

at WBS and East Shropshire School Games Organiser Mr Jew were really pleased with the positive and enthusiastic attitude of all the Yr5 leaders, who will now be involved as 'Active Starters' back at their primary schools supporting active play at break-times or after school clubs.

Leadership – Event Manager/Coach/Official Workshop

22 sports leaders from yr7,8,9 and 10 took part in a training workshop looking at the different key skills and tasks involved with running sporting events involving large numbers of participants.

They looked in depth at the roles of an Event manager, Coach and Officials and what each would be responsible for in the planning and delivery of a large scale event. During the morning they were divided into 4 teams and each had to plan and run a competition for the other teams. They had to decide who would take on the 3 different roles and after the competition received feedback from their peers and workshop tutors SGCos Lyndsey Dillon, Ann Smith and Kerry Humphreys. They will now go on to organise the yr3/4 Orienteering festival in spring and the Paralympic festival in May 2019.

Schools into WBS

This half term has seen Much Wenlock in on Thursdays with yr5 doing swimming, basketball and badminton and yr6 doing swimming, quicksticks hockey and badminton. The yr6 were preparing to take part in the ESSP quick sticks hockey tournament on 6th December and PE apprentice Meg Lancaster who had been coaching the team players was delighted when they won the B tournament.

Friday afternoons has seen yr3 and yr4 from Barrow come in for swimming and hockey. The yr4s were also aiming towards entering the quicksticks hockey tournament and despite playing against yr6 they did really well coming 7th.

WBS Primary X-country events.

This has been a busy half term for x country with high numbers competing. A reflection

The Young Coaches Academy progresses on...

34 young coaches from the East Shropshire SSP spent the day with Mr Jew and his team at Kingswood Centre, near Albrighton on Saturday 17th November. The aim of the day was to improve teamwork and create bonds between the leaders from the 4 secondary schools, as well as starting to make plans for their tasks—to plan for an event at their secondary school for primary aged pupils that are not fully engaged in sport and physical activity. After much fun with team building activities that got them wet, cold and hiding in some extremely interesting places it was back to work (after hot choc and biscuits!). Planning went very well for the next stage of their journey. At the next session on 27th November the YCA were also extremely

fortunate to be given the opportunity to

watch and work with GB'S Male Artistic Squad Gymnasts Josh Nathan and Jamie Lewis and their Head Coach Barrie Collie at Lilleshall NSC. The evening proved to be an amazing experience and insight into how to coach at an elite level.

U13 Handball finals SSV—Tuesday 12th February—2.00pm—5.00pm

U15 Handball finals SSV—Wednesday 13th February—2.00pm—5.00pm

Curriculum time

During this term, OWS PE staff Miss Massey and Miss Hartland have been delivering fun sessions to the pupils at Claverley Primary School. The Year 5 and 6 students took part in a number of invasion games such as basketball, handball and netball which helped get them ready for the basketball competition that they were competing in. The Year 3 and 4 students have been working with Miss Massey to create a dance based on the World War which is what they are currently studying in class. The Year 1 and 2 pupils were doing a dance which was farm related where they performed about the day in the life of a farmer.

Bronze Ambassadors

Bronze Ambassadors from Claverley Primary School organised and delivered an event to years 3 to 6 under OWS PE staff supervision. They decided to use bench ball as their sport. The 4 Bronze Ambassadors prepared the score sheets, rules and a list of the pupils in each house prior to the day of the competition. On the day, they got all of the players into the hall where they split them up into their houses, and read the rules out to the participants. They split the organisational roles between them after a game had finished so one would set the balls back in the middle, one would do the scoring, one would collect the next houses and the other would get the next game started. The games that the ambassadors were not playing, they umpired.

Change 4 Life Training

OWS hosted an active training session for boys and girls from 4 local primary schools. 4 students attended from each school, 2 boys and 2 girls. They took part in activities which allowed them to introduce themselves and work with people from other schools who they wouldn't usually work with. They got together in their new groups and delivered a mini game to the rest of the group and each group had to change their game based on STEP (Space, Task, Equipment, and People). The pupils then go back into their school groups and planned their new club that they will do at lunch or break times. Keep an eye out for a new club at your school soon!!

Year 3 invasion festival

Year 8 leaders from OWS delivered an invasion festival to the local primary schools which consisted of tournaments in basketball and handball. Each of the OWS leaders had a couple of teams to which they taught from scratch the passing, shooting and dribbling skills of handball and the throwing, dodging and catching of dodgeball, all within a short amount of time. Following this they played some modified games and the competition began. The teams consisted of an equal number of boys and girls so that it was fair. The leaders umpired the games so that they were officials overseeing the rules within the games.

perhaps of the improved fitness levels since schools started doing the daily mile as level 0 personal challenges.

The first event on 7th November took place at WBS with over 60 children competing in each of the 4 races. Despite the wet conditions everyone finished their race and the 24 WBS leaders managed to get all the certificates presented on time.

Our second x country took place at Broseley primary school on 21st November. The hilly course proved a challenge, but the runners all felt it was more exciting and were proud of themselves when they completed it. Unfortunately the bus bringing Cressage runners broke down on the way and they were unable to compete but there were still more than 200 runners taking part. Congratulations to Broseley sports leaders who following training with Mrs Smith in the morning acted as course and finish marshalls, led warm ups before the races and supported the runners. Special thanks to the leaders who did the results and wrote out certificates and helped to present them at the end. They all did an outstanding job, ensuring the event ran smoothly and finished on time.

The final x country was on Tuesday 4th December but due to heavy rain the fields at WBS were waterlogged. Broseley kindly offered to host and all the schools agreed to change venue at short notice. Broseley yr6 leaders stepped up again and took on the various roles involved in organising a x country event and every runner completed the challenging course. The 3 sports leaders who came along from WBS to act as 'hares' were really impressed by the speed of the top 3 runners in each race. Following the 3 events the top 2 runners in each year will now go forward to represent East Shropshire in the School Games finals on 5th March. Congratulations to Ben Price, George Starynskyj, Thea Rogers, Grace Gray, James Brick, Torrin Byrne, Isla Gibb, Sophie Lewis, Pippa Insley, Alfie Wood, Stewart McCowan, Ina Thelwell, Rosie Lawrence, Ethan Osbourne, and Jake Holford.

Quick sticks hockey tournament

On Thursday 6th December WBS hosted the East Shropshire Quicksticks Tournament. 24 hockey leaders from WBS coached and officiated throughout the afternoon, with the largest number of teams participating since the event started. There were 19 teams involved from 13 primary schools with over 80 children involved. 10 teams were playing in the A tournament with the top team qualifying for the School Games finals on 5th March 2019. The pool rounds saw the top 4 teams go on to play in the semi-finals and finals with Worfield A coming out in top spot and St Johns in second, Shifnal A in third and Brown Clee in fourth. The B tournament was a development tournament for younger or inexperienced players. Teams took part in a round robin event to ensure everyone had as much hockey experience as possible, Much Wenlock came out as winners with Brockton in second and Claverley in third.

The event ran like clockwork thanks to the excellent hockey leaders and the players had a fantastic afternoon all learning a great deal and making new friends. Well done and thanks to WBS PE teacher Mr Hennesey and PE apprentice Meg Lancaster for running the event on the day!

Idsall Family

Mrs Dillon spent this half term teaching in—Sheriffhales!

During lunchtimes Mrs Dillon worked with the Bronze Ambassadors to run a round robin level 1 competition in Basketball a new school favourite sport! Some great play from the pupils and some good officiating from the leaders. During the afternoons years 3-6 have enjoyed learning PARKOUR , this is free running. They have learned to drop and roll, precision jump from height, use 3 ways to vault, step through, monkey through and gate vault. Lastly the school took part in a parkour, mud run. The year 1 and 2 pupils developed their gymnastics skills looking at travel, rolling and balancing.

During lunchtimes Mrs Dillon

Great leadership from Sheriffhales Bronze Ambassadors, running a level 1 basketball tournament.

Football league and Football golf!

First ESSP Football Golf tournament which ran alongside a 3 week football league, excellent success from both sports, the pupils loved trying something new and found it to be great fun. There was some excellent performances from all 6 schools in the Football league even if we had to race against the darkness! The Value award was given to Albrighton for Honesty in the Football Golf and Teamwork award was to our joint small school team BECKHALES in the Football league. Overall winners in the Football golf and the Football were Shifnal well done!!

Basketball festival

A busy event full of determination and teamwork!

Another busy festival at Idsall with 13 teams from 5 of the 6 schools, the pupils had some coaching from Idsall's team of Basketball leaders, learning the rules and skills of the game and picking up tips to improve after each game was played. There were 3 pools and at the end of that the teams were reshuffled to play against the matching ability teams in the other pools. As well as promoting the game itself we wanted to get the schools to be prepared for the ESSP tournament at OWS later on that month, I am delighted to say that Sheriffhales won their pool and Shifnal won overall! Well done to all that took part excellent performances and effort from all.

Bridgnorth Endowed Family

Leadership Training

Primary Bronze Ambassadors have been working at collecting their information and planning their level one competitions across the family of schools. St Johns have participated in an 'Egg in the Nest' competition, Brown Clee have participated in a Handball competition, St Leonards have participated in a team X country and Worfield have participated in a 'footgolf' competition. More updates to follow next term!

Action from the Urban Biathlon above left and below!

Competitions and festivals!

Urban Biathlon!

Over 50 students from Bridgnorth area schools took part in 1000m mud run and 100m swim. All students defeated the course and looking forward to next years event already. The overall winners are as follows Year 3 Hugo Rhodes and Erin Wall Year 4 Isabelle Crann and Freddie Ward year 5 Cody Gilbody and Leah Morris and in the year 6 event Isaac Gibbard and Hannah Belcher. Well done to all that took part!!

Key Stage 2 Football draws to a close!!

The key stage 2 competition concluded early this term. Congratulations to Morville School

who won the School Games Sporting Value 'Respect' Award. They showed real Determination and the progress they made week on week was evident for all to see. Congratulations to St Johns for winning the A league and Claverley for the B league!

Active Play Through Storytelling

Update! We have 14 members of the family signed up for the course on Monday 4th February. Please refer to the literature sent out to all schools or alternatively contact Schase@bridgnorthendowed.co.uk for further information or to book a place.

Action from Brown Clee Vs Alveley in the final week of the football league (above)!
