

Secondary Competition Results 2018 –19

Y8 Boys Basketball!!

On Wednesday 27th February OWS, IDS, BES and WBS took part in this event at WBS. Results were as follows:

WBS	IDS	OWS	BES
-----	-----	-----	-----

WBS now go onto represent East Shropshire at the finals on 12th April at Telford Langley School.

Sportsability New Age Kurling and Boccia

WBS hosted this event on Monday 4th March attended by IDS and WBS. Final results were as follows:

IDS B/WBS A	IDA A	WBS B
-------------	-------	-------

IDSB/WBSA went onto represent East Shropshire at the SG finals at Wrekin College

7 non-club swimming gala

WBS hosted this event on Wednesday 27th March as a friendly competition, attended by OWS, IDS and WBS. All pupils mixed up into nations with USA finishing 1st, GBR in 2nd and France in 3rd.

KS3 Orienteering

This event took place on Tuesday 2nd April at Dudmaston Hall—Comer Woods. OWS/BES/ WBS attended and the fastest 4 pairs will be taken through to the summer SG finals at Cardingmill Valley on 15th May including 3 pairs from WBS and a combined OWS/BES pair.

Spring Term School Games mini-festival

On Thursday 28th March the Green Army made it's way to Wrekin College to take part in the spring term secondary School Games finals. Overall results below:

Below—Action from the School Games finals at Wrekin College with the U15 OWS girls rugby team BES winning Y7 rugby team, Jack from Idsall in the Y8 sportshall athletics, WBS Boccia team and KS3 girls hockey

KS3 boys hockey—OWS 4th

KS3 Girls hockey—WBS 3rd

Y7 Netball—BES 3rd

Y8 netball—WBS 3rd

Y7/8 boys sportshall athletics—OWS 1st

KS3 NAK/Boccia—IDS/WBS 3rd

Y7 Rugby—BES 1st

Y9/10 girls rugby—OWS 3rd

Y7/8 boys sportshall athletics—IDS 5th

These results mean East Shropshire have stretched their overall lead to 16 points!

Strong performance again for East Shrops at KS2

School Games Finals!!

On 5th March the East Shropshire School Sport Partnership narrowly lost out to Shrewsbury, North Shropshire T&W Burton Borough at the 2019 Winter/spring Shropshire Homes School Sport Festival as part of the School Games. In total over 131 pupils took part in 10 different team events from 19 different partnership primary schools against 5 other partnership areas—Shrewsbury, South Shropshire, North Shropshire, Telford & Wrekin Burton Borough and Telford & Wrekin Langley. All East Shropshire teams participated magnificently. Overall results were as follows: Y5/6 Basketball 6th, KS2 X Country 2nd, Y3/4 Gymnastics (A team) 2nd (B-team) 1st, High 5 Netball 6th, Quicksticks Hockey 1st Small Schools Tag Rugby 6th, Large Schools Tag Rugby 1st, Sportshall Athletics 4th (girls) 5th (boys), Sportsability Sportshall 5th. Combined scores from all events meant East Shropshire came 4th overall. The whole event was also supported by 44 KS3/4 students from East Shropshire acting as officials, event managers and team managers. one of these, Will Perkins from WBS was also presented with an award for one of only 2 most valuable leaders of the day!!

Football Development League

The football league ran afterschool for 3 Thursdays in March with 16 teams from 7 schools taking part.

The league is separated into

three divisions to cater for a range of abilities, from those who play regularly out of school to those children who are inexperienced beginners.

Over 100 primary children took part and were supported by 22 leaders from WBS who coached them for 15mins before officiating or team managing them for 2 x 20 min games. The emphasis was on teamwork and cooperation and it was great to see the respect and friendships developing between teams and coaches each week.

Individual certificates were presented for excellence, respect, determination and effort to those children nominated by the leaders. The Spirit of the Games Award for Respect and Cooperation went to Broseley E team, all Y4 girls who played with determination and good sportsmanship against the boys teams,

Primary Dance Festival

On Monday 18th March all 8 primary schools came to WBS for a full day of dress rehearsals ready for the evening performances on 19th and 20th. The primary schools had been running dance clubs throughout Spring 1 to get their performance pieces ready.

The numbers involved this year were staggering with 220 children from 5 schools performing on Tuesday and a different 215 children from 4 schools performing on Wednesday. Add to this over 50 senior performers from WBS plus the groups from our community 'ENCORE' and you can imagine what spectacular shows they were. There was a full house both evenings and the children were able to experience the stage, lighting and sounds of a professional setting.

Thanks, must go to the sixth form dancers who not only performed but helped to produce the show and do many of the technical and back stage roles on the night. Also huge thanks to the primary school staff who spent many hours choreographing and rehearsing dances, yet on the night they don't even see the show as they are back stage keeping very excited children calm.

The 'Spirit' award for Inspiration and Passion went to Church Preen who performed a beautiful routine that they had partly choreographed themselves and had done extra rehearsals led by their Bronze Ambassadors to ensure their performance was flawless.

Yr3/4 Orienteering Festival

On Monday 25th March 64 children from 7 of our feeder primary schools arrived to take part in 4 different orienteering activities involving map reading and problem solving. The children from each school were divided into pairs and worked in groups of 16 with children from the other primaries. The activities organised by 21 sports leaders from WBS were; Netball Numbers, Animal Star, Massive Maps and Little Loops. The children rotated round each activity and worked with great enthusiasm and energy. They ran all afternoon without realising the distance they covered as they were so engrossed in each activity. The leaders presented individual awards for their activity and the Spirit award for Honesty and Equality went to Barrow

Second KS1 Multi-Sport of the year a great success!

St Leonards Primary School once again hosted a KS1 multi-skills event on Tuesday 26th March. The event was attended by a fantastic 25 teams from 10 different partner schools. The competition involved teams of 5—8 taking part in 9 different multi-skills challenges ranging from simple invasion games activities to trying Tri-Golf, hockey and mini-tennis. Pupils worked together to score as many points as possible in 3 minutes on each station. The competition was led by Partnership Manager Chris Jew, supported by 2 PE Apprentices and all Year 5's class from St Leonards Primary acting as sports leaders. The Y5's received only 1 hours training from Mr Jew on the Tuesday prior to the event and despite this they performed magnificently on the day,

gaining praise and excellent feedback from all school staff attending!! All pupils received a certificate for participating and the top 3 teams received medals. They were as follows: 1st Alveley B, 2nd St Johns A and 3rd Morville B. Claverley were awarded the 'Teamwork' School Games Value Award. well done to all teams that took part!!

Multi-Skills action on show at St Leonards

Upcoming events for summer 1!

Primary events:

William Brookes family KS1 X Country—Weds 1st May, Brockton Primary 1.30pm—3.00pm

KS2 Inclusion Festival—Tuesday 7th May OWS 11.30am—2.30pm

William Brookes family KS1 X Country—Weds 8th May, Barrow Primary 1.30pm—3.00pm

IDS Family Rounders—Thursday 9th May, 3.30pm—5.00pm

KS2 Mass Orienteering competition—Thursday 26th April OWS 2.00pm—4.00pm

OWS/BES Family Y3 cricket and athletics—Thursday 9th May 2.00—4.00pm

Secondary events:

Y8/9 Rounders—Tuesday 30th April (IDS), 7th May (OWS), 4.00pm—5.00pm

County Schools Golf—Friday 3rd May Arscott GC—all day

Y7/8 Girls Active Event (YCA led) - Thursday 16th May, Lilleshall Hall—afternoon

Y7/8 Girls Cricket—Tuesday 21st May Shifnal CC 4.00pm—6.30pm

Oldbury Wells Family

Curriculum Time

The Year 5 and 6 students at Castlefields Primary School took part in a some fitness sessions delivered by Mrs Cowburn. The students were taught the 'Tabata' style interval training which is a type of training which consists of a high intensity exercise followed by frequent but short rests. They did a variety of different exercises at each station. They then went on to learn about cardiovascular endurance, muscular endurance and what a circuit and stations are. Later in the half term these students were also faced with trust and communication challenges to prepare them ready for an orienteering event which the children attended at William Brookes School. They were able to untangle themselves from a human knot and guide their partner who is blind folded through an obstacle course via verbal communication and trust.

Year 3 and 4 participated in some team building activities this term which consisted of co-operating as a team to be able to solve problems that may have been put in front of them by listening to each other. The students also learnt how to read a map of their schools grounds and understand the symbols that are used on the map. They then went on to put what they had learnt into action by creating their own map from a drawing.

Year 1 and 2 were with Miss Hartland this term learning about multi-skills and alternate ways of travelling.

The children completed a multi-skills circuit which had been set up for them including different equipment so that the students were having to complete the circuit via different methods of travelling. Some of these activities included using additional equipment such as balls to dribble however, the majority of the stations consisted of using their imagination to come up with different ways of moving around or through the objects. Some of the methods that the children had chosen varied from the crab, to crawling across the floor to bunny hops and skipping.

Action from 'Tabata' style fitness lessons at Castlefields with Mrs Cowburn (right and below)

Over 45 games of Tag Rugby were played in one afternoon at Bridgnorth RFC!

KS2 Tag Rugby at Swancote.

During this term, Year 9 leaders from a number of secondary schools such as Oldbury Wells and Bridgnorth Endowed school came together at Swancote Rugby Club to referee the primary school tag rugby tournament. The local primary schools attended the event and competed against each other whilst the leaders organised the teams and got them to the correct pitches when they needed to be there, refereeing the games and taking the scores in to be updated. Within the tournament, there were small schools competing against each other and big schools competing against each other to see who would be going through to county games to be competing there

and representing East Shropshire for tag rugby.

The overall winners of the big school competition who went to represent East Shropshire for tag rugby were Shifnal Primary School and the winners of the small schools were Brown Cleve School.

ESSP Swimming Gala

Kurling Action (left)

WBS played host to 7 schools from across East Shropshire on Thursday 28th March for the partnership swimming gala. 5 experienced swimming leaders from WBS acted as timekeepers and assisted the Northgate Swimming Club officials who ran the gala. Successful individuals selected from the gala will go on to represent East Shropshire in the County gala later in the term. The afternoon ran very smoothly with some great individual performances. Many thanks to Northgate officials for giving up their time to run the event.

ESSP New Age Kurling Competition

On Thursday 4th April 24 teams from 14 East Shropshire primary schools came to WBS and took part in a New Age Kurling competition with the winners qualifying to represent East Shropshire in the County finals in July. 16 leaders from WBS acted as officials, organising the children and scoring the games. The leaders were from Y7 and Y8 and for many this was their first experience as sports leaders. They coped extremely well, getting through 70 games on time and making sure the 96 primary children taking part all got to the correct courts. The standard of play improved as the competition went on with some very close tactical

games taking place. The eventual winners were Beckbury and the Spirit of the Games Award for Determination went to Much Wenlock.

Cressage Cup

This year for the first time in 45 years the venue for the Cressage Cup Netball and Football Tournament was moved to Broseley primary school who kindly offered to host when Cressage fields were not available due to on-going work to install a running track. This did mean however that 2 courts were available for High 5 Netball and as such a round robin competition was possible allowing each team to play 6 x 12 minute games. The same round robin format was also used for the 7 teams playing in the football tournament.

As always competition was fierce but good sportsmanship was in evidence along with skill and determination. Winners of the High 5 competition were Christ Church Cressage, with Church Preen in second place on the same points but Cressage had a better goal difference. In the football Broseley came out on top with Church Preen in second place.

The Spirit of the Games award for Friendship and Respect went to Barrow in the netball and Church Preen in the football.

Young Coaches Academy -- Yr4/5 Girls Active Afternoon

11 WBS leaders who belong to the East Shropshire Young Coaches Academy have spent the spring term planning an afternoon of activities for Y4/5 girls from our feeder primary schools. The 67 primary girls involved took part in 4 out of 6 activities, each of which was planned and delivered by the leaders. The aim was to inspire and motivate the girls to get involved in sports or dance clubs at their school or within the local community. The leaders were also able to talk about the clubs they themselves are involved with and how the girls could find out more information and maybe go along and try out a new sport. The event took place at Broseley Primary School and as part of their planning and organisation the leaders had to confirm facilities, source their own equipment as well as organising the programme for the day.

Primary Leadership

Bronze ambassadors have been busy in their schools this term with Buildwas and church preen organising bocce and tri golf events. John Wilkinson leaders organised games of inter-house Quidditch as part of their World book day celebrations of Harry Potter themed activities.

Idsall Family

Mrs Dillon teaching in Shifnal Primary

This half term I have enjoyed delivering lessons to the pupils of Shifnal. As we were approaching the School Games Winter finals with 4 teams from Shifnal school representing the GREEN ARMY, we spent some time preparing the sportshall athletes, basketball players and Gymnasts. The pupils worked hard at refining skills and improving team work and made a great difference to the overall East Shropshire performance at the games. I have also taught sessions of handball to key stage 2 classes, developing their skills in this relatively new sport. They all grasped the travelling with the ball, passing correctly and some were able to shoot too. In KS1 I delivered multi skills based around strike and field, the pupils showed fabulous progression in sending tracking, receiving and striking they even were able to play a small conditioned game.

Shifnal 'stars' in action

Girls football and Year 6 go Boxing

The Idsall family girls football league was tested by this half terms weather conditions but despite everything we managed to adapt the rules, conditions and speed of the game to run 1 festival date. It was fabulous to see so many girls involved split into years 3/4 and 5/6 teams they all seemed to enjoy themselves and working with such PASSION. The Y8 Idsall leaders, including some recently trained FA 'Game of Our Own' girls did a great job of refereeing and coaching teams.

Thanks to the 'THIS GIRL CAN' festival last year we have a strong club link with the new Boxing club in town set up by Joe Lockley—'Bright Stars'. On Thursday 21st March selected year 6 pupils from Shifnal, St Andrews, Sheriffhales and Beccbury practised becoming 'bright stars' themselves! The year 6 pupils had a fantastic time at the club learning some Boxing skills and fitness drills from Joe Lockley supported by Idsall's very own GB Boxer Y12 Brayden Davies. Many pupils wanted to join the club following the experience and what a brilliant way to work off SATS stress! Club times are Mondays and Friday 6-7pm.

Shifnal Vs Beccbury in the girls football and a montage from the boxing day

Bridgnorth Endowed Family

Mr Chase teaching in St Leonards Primary

Mr. Chase has been in to St Leonards primary school this half term. St Leonards Bronze ambassadors have been focusing on developing their leadership and competition structure. They have planned and evaluated a year 3/4 team cross country event. Which has then led to the event being moved to the larger venue of Bridgnorth Endowed School where the event was adapted for year 5/6 In addition the leaders are successfully running an in house football competition which has been running after school on Fridays.

Game of Our Own Grass Roots Football Coming to BridgnorthUpdate.

The East Shropshire Girls Football Partnership has successfully trained over 30 girls to lead on Growing the Female Game. We are delighted to announce that these girls have demonstrated the demand for girls football in the Bridgnorth area and two new girls teams are planned for the 2019-2020 season. Seen here are some of the leaders who trained at Loughborough University with Lionesses Sue Smith and Sophie Bradley-Auckland.

St Leonards leaders in action (above right)

Tournaments and Festivals!

Over 100 girls took part in the Key stage 2 football festival at Bridgnorth Endowed School. With 13 schools from across the partnership attending the event ran by our Game of Our Own Leaders. The standards were very high on the day and a penalty shootout was required to separate 4th and 3rd place with Shifnal Primary narrowly winning it

to finish 3rd. The final saw a combined team from Beccbury and Claverley defeat St Johns to take the overall 1st place. Thank you to all the staff and parents for making the event possible.

Mr Jew led another successful Dodgeball event at Bridgnorth Endowed School this term. A massive well done to the Year 7 leaders who did a tremendous job officiating and scoring probably one of the most difficult games to manage on the Primary School Calendar. Over 90 students took part in this fast paced activity. Students demonstrated tremendous resilience and honesty in this fun high octane event. Well done to all. Overall results saw Shifnal claim the winning spot with Claverley 2nd and St Johns 3rd

A montage from the girls football (above left) and congratulations to Claverley at the Dodgeball presentations
