FUN TO FINISH THE
TERM!**

WISHING YOU A VERY HAPPY EASTER!

We would like to wish you all an enjoyable break. We look forward to returning on Monday 19th April, to begin the Summer term.

EYFS CLASS

"This half term in EYFS we have enjoyed looking for the signs of Spring. In class we have talked about what we found and we've been making a Spring display. We have also enjoyed using the natural resources in Forest School for our number work.

In Reception we have created some new areas to enhance our learning. We have a relaxed reading area and a discovery table to observe and explore the seeds we are growing.

We have all enjoyed our Fairytales and Magic topic, developing lots of imaginative ideas to create our own stories. "

Mrs Guest and Miss Coleman.

CEDAR CLASS

"This half term the children in Cedar class have been very busy! Our topic is Around the World and we have been on lots of exciting adventures. We have held an Australia day where we decorated boomerangs ,learnt about the different landmarks in Australia and went on an animal hunt around Forest School We have been thinking about feelings we have read 'The colour Monster@ and discussed how sometimes our feelings get jumbled up. We have created our own feelings jars as part of our feelings display The children in Cedar have worked so hard and should be extremely proud of themselves."
Miss Underhill.

ELM CLASS

"In Elm class this term we have been learning about Pirates. We have researched pirates before writing our own stories. In maths we have created our very own pirate maps before completing a treasure hunt in forest school.

Elm class thoroughly enjoyed Pirate day on Wednesday.

Children created their own pirate hats and then made tin foil boats. The highlight of the day was a boat race, followed by a pirate picnic!

The children all looked amazing in their costumes. "
Mrs Langton and Miss Thompson

OAK CLASS

"This half term Oak class have been enjoying some out door learning. As part of our extreme earth topic the children have developed sketching skills, creating landscape sketches.

Children have been inspired to write diary entries from the perspective of experiencing a natural disaster.

Our cross curricular learning experiences have also enabled Oak class to enjoy orienteering involving map reading, directions and applying understanding of co-ordinates. "

Mr. Smith.

EASTER EGG HUNT

To finish our Spring term each class enjoyed completing the Easter Egg Hunt on the school field. There was lots of excitement as we followed the clues (and older pupils cracked the code) before finding the eggs, which we hidden around the forest.

Thank you to FOAs for kindly providing the Easter Eggs.

TRUSTED TALK

Pupils in Elm and Oak class were invited to partake in a Oldbury Wells School competition, creating their very own news report video. It was fantastic that pupils from Year 3 up to Year 6 took the opportunity to create videos and represent Alveley School by sending in their entries.

On Friday 12th March all pupils enjoyed joining a virtual assembly with other local schools to share the videos and congratulate the competition winners. Isabelle Matthews was the winning entry for Alveley. A big well done to everyone who took part in the competition!

Thank You!

As we end the term we would like to say goodbye and good luck to Mrs Clark. Mrs Clark has been a wonderful member of the school team at Alveley and we are very grateful for all of her support and commitment. We are sure you will join us in wishing Mrs Clark all the best for the future.
