Transition reflections...

"I'm happy now I've met Mr Barlow because he is nice and gentle."

I felt... "Nervous at the start, happy meeting my teacher, excited now!"

"I'm excited to go into Year 5 (Oak). I was a bit nervous before Mr Smith came though. He seems really kind and I feel like we can also have a joke."

"Before transition day I was scared to move up to Oak, but now I'm not!
😊"

"I am looking forward to learning a new topic for next year with my new teacher."
