## INSIDE THE ISSUE

### ALVELEY'S GOT TALENT

Find out more about the Alveley's Got Talent Show

### SAYING IT WITH FLOWERS

Read about the plans for our support with the village to celebrate the Queen's Platinum Jubilee

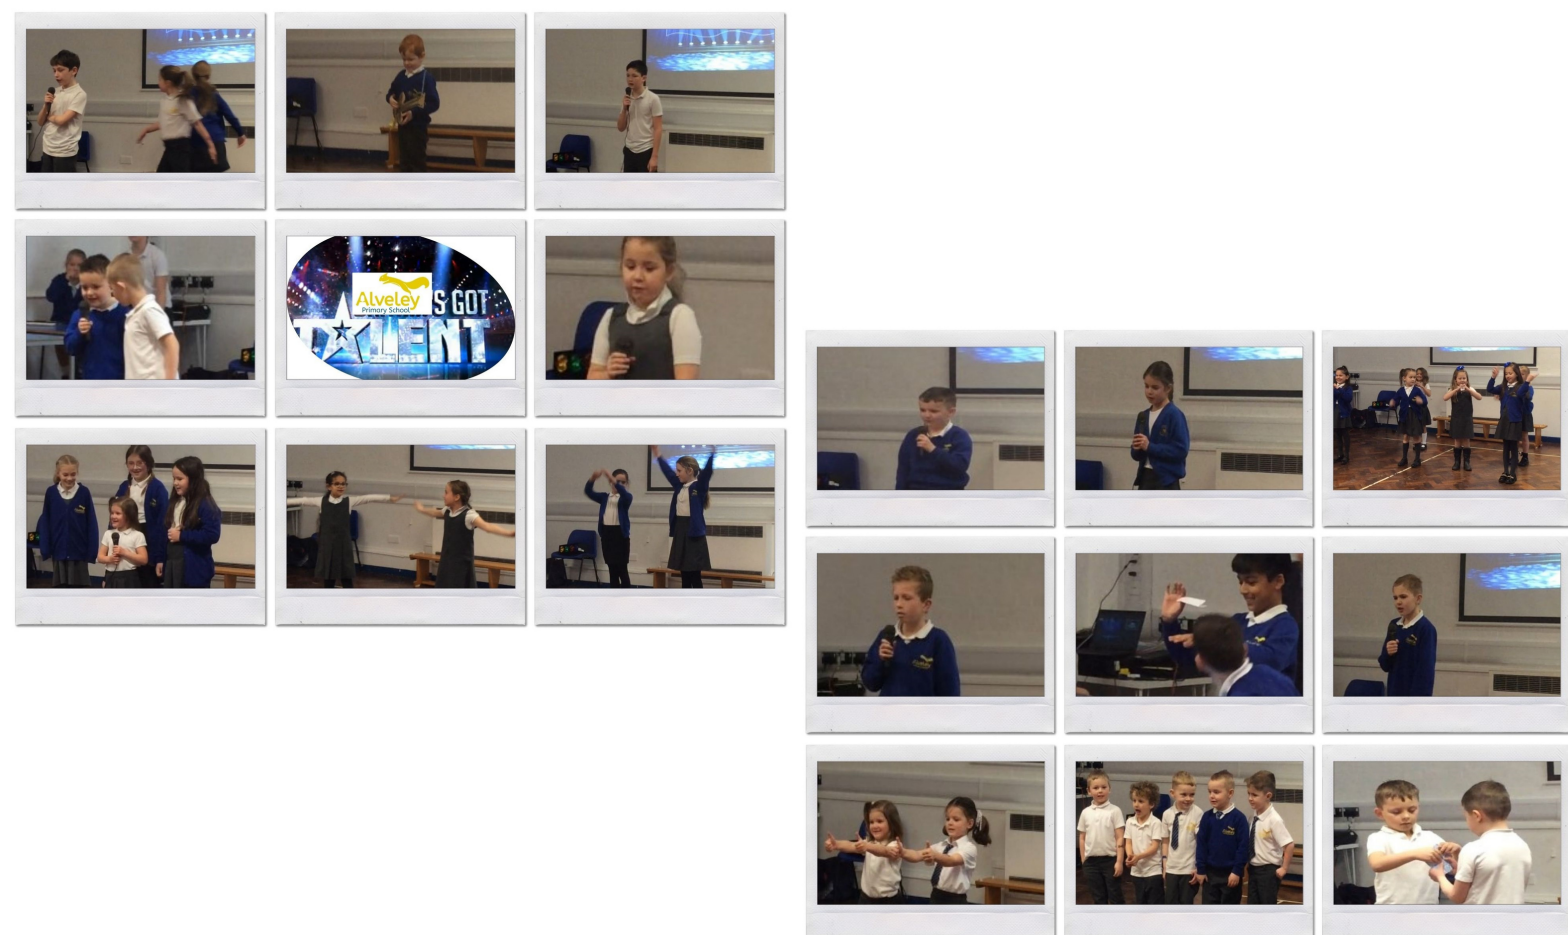

# Congratulations!

We were so proud of the Alveley pupils who were awarded the certificate for Respect. After competing in a recent Trust Sports Partnership event. Children enjoyed competing in an Inclusion festival at Oldbury Wells and were highly commended for their sporting value .

# Alveley's Got Talent

'To finish the first half term we held a school Talent Show, pupils from across the classes enjoyed taking part, with 21 different acts! Children enjoyed the opportunity to share their interests and skills with the school, we were pleased with the excellent number of children who were keen to take part and everyone thoroughly enjoyed the range of acts.'

# Saying it in flowers

We are looking forward to taking part in local Jubilee celebrations and 'Saying it in flowers'. As a school we will be planting red, white and blue flowers. We would love to encourage the children to get involved at home too.

Further information about the project can be found in the Parish Magazine!

## Cooking with Caterlink

‘Pupils in Elm and Oak experienced a cooking workshop provided by Caterlink, our catering team. All of the cooking workshops, which had different themes, involved experimenting and tasting a range of fruits.’

# FOAS

Thank you to the FOAS for organising the Valentines Disco. It was a very popular event and the children all had a fantastic evening!

## National Bird Box Week

We are very excited to receive some very special bird boxes. Carol and Bill, who are part of the local bird watching group, approached us at school last year as they thought the tower would be the perfect spot for a Swift nesting box. Having visited school Bill also kindly offered to make some other bird nesting boxes for us, which are perfect for us to monitor with some special bird box cameras. Using some funds from FOAS, which were raised for supporting our outdoor learning, we have been able to purchase two special Wi-Fi cameras; which mean we will be able to carry out a very special bird watch! Children are very enthused and hoping to see birds nesting and possibly even eggs hatching. Bill and Carol kindly came to school to join us for a special assembly, where they presented the boxes and shared their enthusiasm for bird with the children.

# DATES FOR YOUR DIARY

## CLASS WORKSHOPS

We would like to invite parents/carers into school to join your child for an afternoon of activities linked to the class topic. Please see below for your child's class date:

Tuesday 29th March	EYFS Class afternoon
Wednesday 30th March	Cedar Class afternoon
Monday 4th April	Elm Class afternoon
Tuesday 5th April	Oak Class afternoon
