NOSE
DAY**

Girls Football Team

Year 5 girls have represented the school in a girls football tournament brilliantly this month. Competing against other schools, at Bridgnorth Endowed, they managed to finish third place by winning a penalty shootout. We are so proud of them.

Well done!

Multi Skills Sports Festival

We had a really fantastic time at St Leonard's Primary School for our interschool multisport competition! We joined in with lots of different activities that used lots of different skills such as tennis, hockey and basketball! The children really enjoyed this event and should be proud of the way they represented Alveley!

World Book Day

We celebrated world book day on Thursday 3rd March.

Children enjoyed dressing up as their favourite book characters and shared their favourite books with the class.

All pupils enjoyed designing their dream library to help us develop ideas for our current library refurbishment project, which FOAS are fundraising to support.

After School Club

Children have been enjoying the range of themed clubs!

Recently, in Art Club, children have enjoyed learning how to create self portraits, meanwhile in Mindfulness Club children have enjoyed sensory painting and in Cooking Club pupils have made fruit hedgehogs! We are pleased to share we have some new club opportunities for the Summer Term!

Community Quiz and Curry Night

FOAS hosted a fantastic Quiz and Curry Night at Alveley Social Club. The quiz night included 4 quiz rounds, including questions provided by Alveley Historical Society and a delicious buffet prepared by Chutney's Restaurant. Special thanks to Harry our quizmaster, Chutneys Restaurant, Alveley Social Club, Alveley Historical Society, all of our families who supported the event and to FOAS for hosting. The event raised £325.00 towards our library refurbishment project!

Messy Church

We are pleased to share this invitation with you. Please find the Messy Church booking form attached or contact the school office for a paper copy.

SPRING HUNT

Friday 8th April

FOAS and the school have organised a wonderful Spring Hunt that will take part on the school field for all the children to enjoy. Each class will have their turn to Draw what they see or unscramble a puzzle to find the hidden word, each child will be given a prize at the end of the hunt.

We would love for you children to get involved in the competition's that are also taking part on the day, we would love it if they could either make a Bonnet for the parade or decorate a egg. Prizes will be given to the Best Bonnet or Best egg for each class.

All Prizes will be provided by the FOAS, Have FUN

Messy Church

Uhh? What's that? It's a fun, informal gathering to share some nice food, hear the Bible and do activities together

When? **Palm Sunday**

April 10th

Where? **St Mary's Church**

Who? Kids and their parents!

Why? **Come and see!**

4.00 pm-5.00pm

Spring Term

EYFS

In the Spring Term we have been enjoying our Topic 'Traditional Tales'. During the term we have used a range of activities to help us with our Topic from making salt dough, measuring bean stalks and making puppets. We grew some cress seeds then made cress sandwiches, dug up our potatoes learnt about how they grow and made some yummy chips!

Elm

In Elm class we have continued to enjoy our Topic 'Pre-Historic World' by visiting the Severn Valley Country Park where we became trainee geologists and went on a mini-beast hunt.

We are looking forward to welcoming our parents into school on Monday for our Workshop afternoon.

Cedar

In the Spring term we have been continuing with our 'Travel and Transport Topic' and enjoyed a lovely afternoon with our Parents at the Workshop afternoon. We also learnt about how to keep our teeth healthy and the year 2's spent a fun afternoon at St Leonards competing in Multi Skills Tournament

Oak

This March Oak have visited the Country Park to explore the water cycle and practice their orienteering skills. The children learnt how rivers start in the mountains, and their journey into the oceans. Oak also developed map reading skills – including contour lines and symbols – before then completing an orienteering challenge around the entire site.
