

# Parents and Carers

Working in partnership with Parents and Carers throughout each child's journey in EYFS is extremely important to us. Parents and Carers are always welcome to talk to EYFS staff. We believe that the strong positive relationships we develop are invaluable to best support each child.

Each Nursery child has a learning journey book, which showcases work completed across the 7 areas of the EYFS framework. Reception have a maths and literacy book. We use Tapestry to showcase some of the learning activities they complete. It may include photos, observations, notes and work produced by your child along with opportunity for parental contributions. We encourage parents and carers to upload their own photos and observations to Tapestry to celebrate their successes outside of the Early Years setting.

We enjoy hosting a termly parent engagement activity. Parents and Carers are invited to come into school to join their child for an afternoon of activities and to take time to reflect on the learning that has been completed over the term.

## Session Information

### To register interest:

Please contact the school office on 01746 780284 to book a visit or place your child's name on the waiting list.

You can use your 15 or 30 funded hours at our nursery and, if you should require additional hours, you can pay for these separately.

### Session times

|                    |                                       |
|--------------------|---------------------------------------|
| Morning Session    | Charges (in addition to funded hours) |
| 8.45 am–11.45 am   | Morning Session                       |
| Afternoon Session  | £15.00                                |
| 12.15pm – 3.15 pm  | Afternoon Session £15.00              |
| Lunch time session | Lunch time session £2.50              |
| 11.45am–12.15 pm   |                                       |

## Wraparound Care

At Alveley Primary School we offer wrap around provision.

Breakfast Club opens at 7.30am. Children enjoy a selection of settled activities and a range of breakfast options are provided.

After School Club runs within the EYFS classroom from 3.15 until 5.15pm. At After School Club children enjoy a wide range of activities including crafts, cooking and games.

## Nursery and Reception

# Welcome to Alveley Primary School EYFS!

Children work within the Early Years Foundation Stage (EYFS) during Nursery and Reception. In EYFS at Alveley School, children learn through adult led activities and child initiated learning, putting children's interests at the heart of this. Children are involved in choosing their topics and learning is planned to ensure that all children reach their full potential. Learning is carefully assessed and next steps quickly identified.

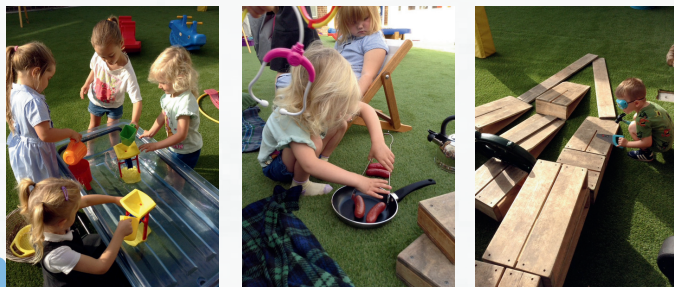

A positive ethos is at the heart of our EYFS unit. It is extremely important that all children feel happy and comfortable within the setting, where they are constantly supported. The children's achievements are recognised and celebrated. This ethos allows for, and encourages, problem solving, resilience, curiosity and high levels of engagement. All adults recognise the importance of developing a strong, positive, trusting relationship with each child, knowing each of them as an individual.

# Teaching and Learning

Each day, children have adult led activities, including a daily phonics lesson delivered to all children. In Reception, there is a focus on either maths or Literacy during the morning, with other areas of the framework covered in the afternoons. Following their adult led learning, children work with a teacher to complete scaffolded activities. While some children are completing work with their teacher, others engage in child initiated learning, supported by other adults.

To maximise learning opportunities, children have daily access to both an indoor and outdoor classroom, where independence and choice are encouraged. All areas of the EYFS framework, including reading, writing and mathematics are planned coherently across all ages and activities and opportunities are appropriately adapted to meet each child's needs, deepening and extending their understanding. Within the carefully planned environment, stimulus and enhanced provision is used to excite, capture and motivate the children and provide learning opportunities .

# Forest School

We value the importance of outdoor experiences. We are very lucky to have a large, newly developed Forest School site within the school grounds, which we access on a regular basis. Within sessions we enjoy exploring the world around us and developing our knowledge and understanding. We love the endless possibilities that the forest has to offer; from hunting for bugs, collecting leaves, growing crops, splashing in muddy puddles and much more! Our visits to the forest are always busy and bursting with learning opportunities.

# Trips

To enrich our curriculum we take opportunities for trips and visits; making connections between our own real life experiences and our wider world.
