October 2026 Newsletter

Dear Parents and Carers,

As we move through the autumn term, I would like to reflect on what has been a very successful month at school. It has been wonderful to see the enthusiasm, hard work and positive attitudes demonstrated by our pupils every day.

At the beginning of the month, we were delighted to welcome headteachers from our Trust's primary and secondary schools. They were highly positive about the calm and purposeful learning environment, the focus shown by pupils in lessons and the pride children took in discussing their learning.

Recently, children have enjoyed a range of enriching experiences this month. Children have taken part in topic days, Oak Class enjoyed a Greek-themed workshop, Elm Class visited the Black Country Living Museum and our Year 2 pupils participated in a multi-skills event. We have also welcomed parents to workshops in school and thank you for your continued support and engagement.

Our KS2 pupils also receieved a visit from two local community police officers, who spent time talking to the children about the importance of road safety. The officers shared useful advice and answered pupils' questions, helping to develop their understanding of how to keep themselves safe when travelling to and from school and when out in the local community. It was a valuable opportunity for children to learn from members of the local police force.

It was wonderful to see so many families attend our recent parents' evening meetings. These provide a valuable opportunity for parents and teachers to discuss progress, celebrate achievements and work together to support children's future success.

Reading continues to be a key priority across the school, and we are grateful for the support families provide at home. We look forward to welcoming parents into school to share ideas and practical strategies for supporting children with our Read Write Inc. phonics programme. A letter has been sent inviting parents to attend this valuable session, which will help strengthen the partnership between home and school in developing confident readers.

We have also relaunched and adapted our Reading Challenge to better meet the needs and interests of our pupils. It has been fantastic to see so many children embracing the challenge, working hard to achieve milestones and demonstrating such enthusiasm for reading. We look forward to celebrating many more reading achievements throughout the year.

Thank you, as always, for your continued support. We wish all our families a happy and restful half-term break.

Mrs Lowe
Assistant Headteacher

Poppy Appeal

We will soon be supporting the Poppy Appeal. After half term children are invited to bring in money to purchase a range of Remembrance Day items, including poppies, wristbands and slap bands. Please note that some items are available in limited quantities and are often very popular. These will be sold on a first-come, first-served basis. Thank you for supporting this worthwhile cause and helping children to reflect on the importance of Remembrance Day.

Children In Need

We will be taking part in Children in Need activities on Friday 13th November. As part of our celebrations, children are invited to come to school wearing something spotty. We kindly ask for a £1 donation. We will also be holding a bake sale on the morning of Friday 13th November. We would be very grateful if parents and carers could donate cakes or biscuits for the sale. Children are welcome to bring a small amount of money to purchase items from the bake sale. All proceeds from both the non-uniform day and bake sale will be donated to Children in Need. Thank you for your support in helping us raise money for this worthwhile cause.

Phonics Information Meeting for Parents

On Monday 9th November, parents and carers of children in Reception, Year 1 and Year 2 are warmly invited to attend a short meeting about how we teach early reading and phonics through our Read Write Inc. programme, and how you can support your child's reading development at home.
We understand that phonics can sometimes seem quite complex. By sharing some helpful tips, strategies and resources from Read Write Inc., we hope to help parents and carers feel more confident in supporting their children with reading and phonics at home. The meeting will take place from 2:30pm to 3:00pm.
We look forward to seeing you there.

Christmas Performances

We are pleased to confirm the dates for our Christmas performances. The performances will be held at St Mary's Church, Alveley. There will be a morning performance on Monday 14th December at 10:00am and an afternoon performance on Thursday 17th December at 1:30pm. Further information will be shared nearer to the time.

Alveley Primary School
Key Information

Collection Arrangements

Please let the school know in advance if someone different will be collecting your child. Pupils in Years 6 may walk to and from home independently only where parental consent has been provided. Keeping children safe is our priority, so please ensure that the school is kept up to date with any changes to your usual collection arrangements.

Contacting Staff

Your child's class teacher should always be your first point of contact for both academic and pastoral matters.

Enrichment After-School Clubs

This year we have introduced enrichment after-school clubs, led by staff, for children to attend. Clubs have already started, but if your child would like to join then enquire at the school office.

Wraparound Care

Wraparound care from:
7.30am to 8.45am and 3.15pm to 5.15pm

Please note: Pupils must be booked in advance through the appropriate ways to ensure that there is space for your child. This needs to be confirmed via the office.

For further information, please contact the school office on 01746 780284 or email at **alveley.wraparound@alveleyprimary.co.uk**

Toast

A reminder that children can purchase toast to have during morning break. Cost is 20p per day.

We kindly ask that children bring in £1 at the beginning of the week where possible.

Snack Time

Thank you for helping children keep healthy with a fruit based snack Monday- Thursday.

Children are welcome to bring in a treat snack for their break on a Friday.

Weekly Timetable

Please keep an eye on the weekly timetable, which is sent out every Friday. This provides details of key events and activities taking place in classes and across the school during the following week, as well as any changes to normal routines. It also includes an updated list of important dates and events for your diary, so please do take a moment to check it each week to ensure you don't miss any important information.

Working together for a happy, safe and successful school

Alveley Primary School

Alveley Primary School

Together we learn, we grow, we achieve!

Attendance

Every day counts!

Our target is 96% or above!

Class	Attendance
Beech Class	93.6%
Cedar Class	97.7%
Hazel Class	97.7%
Elm Class	94.7%
Oak Class	97.9%

A special well done to Cedar Class, Hazel Class and Oak Class!

Be here
Be ready
Be your best!

Good attendance helps you learn, achieve and succeed!

Small steps make big dreams happen!

Be here
Be ready
Be your best!

Attendance
Every Day Counts!

Small steps make BIG differences!

Good attendance builds bright futures!

Why is attendance so important?

Regular attendance helps children feel happy, safe and confident. It supports their learning, builds friendships and gives them the best chance to achieve their goals. Every day in school matters!

Good attendance = more opportunities

Appointments

Where possible, please make appointments outside of school hours. This helps to minimise time away from learning and keeps your child on track.

Be on time

Where possible, please avoid collecting your child early or bringing them to school late. Every minute in school counts!

Wraparound Care

If you need to, you can use our wraparound care service. This is available to support families and help your child attend school regularly.

How We Will Support You

- We will work closely with families to identify any barriers and put support in place.
- We will offer advice, guidance and signposting where needed.
- We will keep in regular contact to celebrate progress and encourage good attendance.

We're here to help!

Raffle Tickets

We are continuing with our raffle ticket system! Children who are in school for the whole week will receive a raffle ticket. This will go into a pot and pupils will have the chance to win a small prize!

Friday Rewards

Each Friday, the year group which has the best attendance (over 96%) will have a short additional break in the afternoon.

New initiative!
If we have a day where attendance hits 100% across the school, children on the Friday will have an extra five minutes break time!

Why Attendance Matters

- Helps children make progress and achieve their potential.
- Builds good habits for the future.
- Supports their emotional and mental wellbeing.
- Helps them develop important social skills.
- Gives them the best chance in life.

Small steps make BIG differences!

Remember

- Attendance is vital – it's not just about being in school, it's about being part of it.
- Every day, every lesson, every child matters.
- Together we can make sure every child reaches their full potential.

Thank you for your support!

Together we can make a difference!

Topic Day

Children across the school recently enjoyed a range of exciting Topic Days, bringing their learning to life through a variety of creative and engaging activities.

Cedar and Hazel Classes had a fantastic day celebrating their topic, Best of British. We were amazed by the wonderful costumes on display, including Red Arrows pilots, the King and Queen, British sporting stars, Mary Poppins and many more. Throughout the day, children took part in a range of exciting activities, including writing a menu for the Gruffalo, tasting traditional British foods, creating Union Jack collages, designing suitcases for Paddington and making beautiful tree collages inspired by the four seasons. It was a fun-filled day of creativity and learning as the children celebrated all things British.

Oak Class enjoyed an exciting Ancient Greece Topic Day and arrived at school dressed in a range of wonderful Greek costumes. The children explored Ancient Greek art by creating their own Greek vases, using wax crayons and paint to recreate the striking pottery styles of the time. They also learned about the Ancient Olympic Games, comparing them with the modern Olympics and discovering how sporting competitions have changed over time. In the afternoon, the children researched a variety of Greek gods and goddesses, learning about their roles, powers and symbols.

Meanwhile, Elm Class spent the day exploring the wonders of Our Blue Planet. The children got creative making under-the-sea crafts and designing a variety of sea creatures. They also used their imaginations to create their own submarines, ready to explore the ocean depths. The day concluded with under-the-sea themed reading comprehension activities, allowing pupils to further develop their reading skills while learning more about life beneath the waves.

Beech Class had a wonderful day learning about People Who Help Us. The children welcomed visitors representing a variety of professions, including police officers, firefighters, nurses and teachers. They enjoyed learning about the important roles these professionals play in our community and had the opportunity to ask questions about their jobs. Throughout the day, the children completed threading activities and jigsaws linked to the theme, recreated real-life scenarios showing how different professionals help others, and constructed their own emergency vehicles.

Our youngest learners in Nursery also thoroughly enjoyed their People Who Help Us Topic Day. They used the role-play area to become doctors, firefighters and pilots, developing their imagination and communication skills through play. The children had great fun taking part in a lively game of Guess My Job charades and explored our wooden People Who Help Us figures, discussing the important jobs they do. They also enjoyed sharing the lift-the-flap story When You're Fast Asleep, Who Works at Night-Time?, learning about the many people who help us around the clock.

These memorable Topic Days provided valuable opportunities for children to deepen their understanding of their class themes while enjoying a day full of creativity, exploration and fun.

Learn Grow Belong

Little Squirrels Nursery

Early Years Open Morning

We would love to welcome you to come and see our Little Squirrels Nursery and our Reception class.

Tuesday 10th November
9:30 – 10:30am

An opportunity to see our learning environment and explore our wonderful nursery and reception classrooms.

Meet key members of staff, including our friendly Early Years team.

We can provide funded and paid sessions for children in nursery.

2+

We accept children in nursery from two years old.

♡ Tiny steps... big futures ♡

Elm Class Black Country Museum Trip

Elm Class had a fantastic day visiting Black Country Living Museum as part of our history topic, How Have Children's Lives Changed? The trip gave us a wonderful opportunity to step back in time and discover what life was like for children in the past. One of the highlights of the day was visiting a traditional Victorian schoolroom. The children experienced what school might have been like many years ago, learning about the strict rules and expectations pupils had to follow. They particularly enjoyed seeing their teachers being told off during the lesson! It was great fun to see the children's reactions and helped them understand just how different school life was compared to their own experiences today.

EYFS Parent Workshop

Thank you to all of the parents who joined Beech Class and Nursery in school for our parent workshop. The children were so excited to welcome you in and participate in lots of fun, inter-active activities that supported our topic this term of 'Marvellous Me'.

The activities were specifically designed to strengthen fine motor skills, social skills alongside their artistic and mathematical skills. It provided enjoyment, collaborative learning and friendly competition as to who had made the longest chain or who had decorated their gingerbread man with the most buttons!

We are already looking forward to our next parent workshop.

Oak Class Anicent Greece Experience Morning

Oak Class enjoyed a fantastic Greek morning with visitors from Shrewsbury Museum. We had the opportunity to look closely at a range of Greek artefacts and learn about how they were used in Ancient Greece. The children carefully observed and drew the artefacts, paying attention to the details and patterns. They also worked in groups to learn about the city-states of Athens and Sparta. Each group read out facts about their city-state and shared what life was like for the people who lived there. One of the highlights of the morning was trying on costumes from Greek times. The children loved dressing up and imagining what life would have been like in Ancient Greece. It was an engaging and enjoyable session that brought our history learning to life and helped us develop our understanding of Ancient Greek civilisation.

Y2 Multiskills Event

Year 2 had a fantastic time taking part in a Multi-Skills event at Oldbury Wells School! The children had the opportunity to try a range of activities, and it was wonderful to see everyone getting involved, giving everything a go and cheering each other on. They showed brilliant enthusiasm, teamwork and determination throughout the event.

We were incredibly proud of how well behaved the children were and the way they represented our school. They were a real credit to Alveley, and it was lovely to see them enjoying themselves, trying new things and giving their best.

Well done, Year 2! We are so proud of you all!

Halloween Disco

Our Halloween Disco was a fantastic success and very well attended by children across the school. It was wonderful to see so many pupils dressed in a range of creative and imaginative costumes, helping to make the evening a fun and memorable event for everyone involved. Children enjoyed dancing with their friends, having their faces decorated with glitter paint and taking part in a range of musical games, including musical statues. Thank you to everyone who attended and to all the staff who helped make the event such an enjoyable occasion. 🎃👻🕷️

Winning House Treat Day

Congratulations to Kites, who earned the highest number of Dojo points collectively during Autumn 1 and were rewarded with a fantastic treat day! This term's celebration had a fun Halloween and Autumn theme, and the children thoroughly enjoyed taking part in a wide range of exciting activities throughout the day. Activities included spooky biscuit decorating, Halloween paper chain making, face painting, glitter tattoos, decorating wooden ornaments, and even creating their own mummies while enjoying a film. The atmosphere was full of fun, creativity and teamwork, making it a memorable reward for all involved.

Well done once again to Kites House for their fantastic achievement. We look forward to seeing which house will collect the most Dojo points during Autumn 2 and earn the next treat day reward!

ALVELEY PRIMARY SCHOOL

WOW

THE WALK TO SCHOOL CHALLENGE

Small steps. Active journeys. Brighter mornings!

How can you take part?

WALK / WHEEL
walk or wheel all or part of the way.

CYCLE
ride safely with an adult or when it is appropriate.

SCOOT
scoot considerately and safely.

PARK & STRIDE
park further away and walk the rest of the journey.

Log it. Keep going. Earn a WOW badge!

Tell us how you travelled to school and record your journey on the WOW Travel Tracker. Travel actively at least once a week throughout the month to earn a collectable WOW badge.

Stay safe on the way

- Use the pavement and safe crossing points wherever possible.
- Stop, look and listen; check traffic carefully before crossing.
- Wear a properly fitted cycle helmet when riding a bike or scooter.
- Make sure your bike is roadworthy; use lights when needed.
- Be visible in poor light and follow road rules.
- Be polite, slow down near pedestrians, and look out for others.
- Children should travel with a responsible adult unless they are permitted to travel independently.

Healthy children, cleaner air, stronger communities!

Every active journey counts.

Let's make the school run healthier, happier and greener!

Little Squirrels Nursery

We've had a wonderfully busy and exciting few weeks at nursery! The children have been enjoying a wide range of fun, hands-on activities, each thoughtfully planned to support their learning, development and curiosity about the world around them.

As part of our 'All About Me' topic, we've been exploring the different roles people play in our community. This helps the children develop an understanding of the world around them while encouraging empathy, gratitude and social awareness. We particularly loved seeing everyone dressed up as doctors, firefighters, pilots, farmers and teachers for our Topic Day!

We've also been embracing the changing season through some wonderful sensory experiences. The children investigated the inside of a pumpkin and enjoyed a sensory walk through the forest, where they used all five senses to explore their surroundings. They listened to birds singing and lawnmowers buzzing, spotted beautiful wildflowers and colourful autumn leaves, enjoyed the scents of lavender and freshly cut grass, felt the crunch of leaves and the texture of bark, and even tasted carrots freshly picked from our vegetable patch!

A huge thank you to all the parents and mystery readers who have supported our activities recently. Your involvement makes such a positive difference to the children's experiences and adds so much value to their learning journey. We really appreciate you being part of our nursery community!

Beech Class

We have been so pleased and proud of how the children in Beech Class have immersed themselves into life in Reception so enthusiastically.

We have been enjoying our topic 'Marvellous Me!' by sharing photos of our families, learning new songs and stories and have painted, cut-out and modelled our faces showing different emotions. We have also used our amazing bodies to perform a variety of actions and games in our PE lessons!

Everyday, we are learning new sounds (phonemes) and Freddie frog is helping us to blend and segment these sounds to create words. We are also practising how to write these sounds (graphemes).

We all love learning inside, as well as outside, the classroom. Forest School is a highlight of our week; the children have been so excited to reap the produce in the vegetable plots. We discovered carrots, potatoes and beans in the raised beds.

Our Optician's shop is another big hit with the children and we were so pleased to welcome a local optician to come and talk to us all about working in this environment.

Hazel Class

October has been full of exciting learning and lovely experiences in Hazel Class!

The children have been busy putting their writing skills to the test in English, producing their own independent writing inspired by The Gruffalo. It has been wonderful to see them using their phonics knowledge to help them spell words, taking care with their handwriting and becoming more confident at writing their own sentences. We have also been exploring the sights and sounds of autumn, using the changes we have spotted in the environment to collect exciting vocabulary and inspire our very own autumn poems.

Our Forest School sessions have been a real success this month! The children have thoroughly enjoyed spending time outdoors, exploring their surroundings and getting stuck into a range of activities. They have shown fantastic enthusiasm, worked brilliantly together and demonstrated growing confidence and independence.

We also had a brilliant day celebrating our Best of British topic! The children enjoyed sampling different British foods, creating trees to represent the changing seasons, designing special suitcases for Paddington Bear and making the Union Jack flag using collage. There was lots of creativity and excitement throughout the day, and the children did a wonderful job of sharing resources, supporting one another and showing off their fantastic ideas.

It has been lovely to see the children continuing to grow and develop throughout October. We are so proud of their efforts, achievements and positive attitudes towards learning. We hope everyone has a wonderful half-term break and look forward to welcoming the children back for another busy and exciting month in Hazel Class!

Cedar Class

We have had a lovely October in Cedar Class!

In English, the children have been working hard on their first independent pieces of writing based on The Gruffalo. It has been wonderful to see them putting their phonics, handwriting and sentence-writing skills into practice and having a go at writing independently. We have also been enjoying the beautiful autumn weather, exploring the changes around us and collecting descriptive words to help us create our own autumn poems. The children have loved taking part in our autumn activities at Forest School too!

We also had a fantastic topic day as part of our Best of British topic. The children enjoyed tasting a range of British foods, creating trees to show the changing seasons, decorating suitcases for Paddington Bear and making the Union Jack flag using collage. It was a fun-filled day with lots of creativity, excitement and teamwork!

We are so proud of the children's hard work, growing independence and enthusiasm for learning. We look forward to another exciting month in Cedar Class after half-term!

Elm Class

October has been another busy and exciting month in Elm Class! We have enjoyed lots of fantastic learning opportunities and have continued to work hard across all areas of the curriculum.

One of the highlights of the month was our trip to Black Country Living Museum, which linked to our history topic, How Have Children's Lives Changed? The children enjoyed stepping back in time to discover what life was like for children in the past. We had the opportunity to experience a lesson in a traditional schoolroom and listen to a story in the library. This was a fantastic way to bring our learning to life and helped us compare what school and everyday life were like in the past with our experiences today.

In PE, we have continued our football sessions with Kidderminster Harriers. The children have been developing their football skills, practising their control and passing, and learning the importance of teamwork. We have been really impressed with their enthusiasm and determination during these sessions.In maths, we have been working incredibly hard on column addition. The children have been learning how to set out calculations carefully, exchange between columns and solve increasingly challenging problems. We are very proud of the effort they have been putting into their learning!

Oak Class

October has been another busy and exciting month in Oak Class! We have enjoyed lots of fantastic learning opportunities and have continued to work hard across all areas of the curriculum.

One of the highlights of the month was our Ancient Greek workshop with Shrewsbury Museum. The children had the opportunity to explore a range of Greek artefacts and carefully sketch what they observed. They learned about the contrasting city-states of Athens and Sparta, working in groups to share facts and discover what life was like for people living in Ancient Greece. The children also greatly enjoyed trying on Greek costumes, which helped bring our history learning to life and develop their understanding of this fascinating civilisation.

Another exciting event this month was our Greek Topic Day. The children took part in a range of activities linked to Ancient Greece, immersing themselves in the culture, history and achievements of this influential civilisation. It was wonderful to see their enthusiasm and curiosity throughout the day.

We were also incredibly proud of the four children who represented Alveley Primary School at the Bronze Ambassador Training programme. They developed their leadership skills and learned how to organise and lead sporting activities for younger pupils. We look forward to seeing them put these skills into practice and promote sport and physical activity across the school.

In maths, we have continued to work hard developing our arithmetic and reasoning skills. The children have shown great determination and resilience when tackling challenging problems, and we are very proud of the progress they are making. Thank you for your continued support. We are looking forward to another exciting month of learning and achievements in Oak Class!

Alveley Primary School

Positive Behaviour Builds a Brighter Future

At our school, we celebrate kind choices, hard work and showing our school values every day!

Positive Phone Calls

Teachers will be making positive phone calls to parents and carers to let them know about something their child has done well. It's our way of saying...

Well done!

Star of the Week

One pupil from each class will be celebrated as Star of the Week and awarded a special certificate. These pupils will be chosen for showing our school values in their actions and behaviour.

We see you, we're proud!

Dojo Points

Children are working hard to earn Dojo points for positive behaviour, effort and kindness. Each class has different rewards once a certain number of Dojos have been achieved.

Keep up the great work!

Positive Postcards

Teachers will continue to send home positive postcards to celebrate all the wonderful things your child does.

Small actions make a big difference!

Be kind
Work hard
Show our values
Make a difference

Our School Values

Our behaviour is guided by our school values. These values help us to be the best we can be, both in school and in our wider community.

Ambition

We aspire to achieve more, developing our self-belief and pushing ourselves. We take pride in our own accomplishments.

Responsibility

We have control of our words and actions and are accountable for how we use them. We always seek to do right. We have a duty to care for our school environment and wider community.

Honesty

We tell the truth at all times, acting with integrity towards others. We are trustworthy, loyal and fair.

Teamwork

We work together to achieve our goals. We show friendship, supporting everyone in our team. Our 'team' might be a pair, group, class, school or wider community.

Respect

We value the views and feelings of others, even if we don't agree with them. We treat others how we expect to be treated and follow the rules at all times.

Perseverance

We show determination and commitment to complete tasks to the best of our ability, even when they are difficult or we don't succeed at first. We take support on board and use it to better ourselves.

House Points

Dojo points are also collected and form part of the total points for each house. The house with the most points at the end of each half term will be awarded a special treat day!

Together we can achieve great things!

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

Coffee and Chat, Stay and Play

Family Drop-In

(Bridgnorth Library)

You can get free information, advice and support on all aspects of family life, at our Early Help Family Drop-In.

Our free Stay and Play sessions let your baby, toddler or pre-schooler have fun in a relaxed environment.

While they are playing you can chat, have a coffee and see how we can help you with:

- **Family life**
- **Parenting support**
- **Domestic abuse support**
- **Money worries**
- **Housing support**

and much more

A warm welcome for all families

We support families with children aged 0-19 years (up to 25 years for young people with special educational needs and disabilities) We aim to make it easier for you to ask for help and get support when you need it.

The sessions are being held at:

Bridgnorth Library, 67 Listley Street, Bridgnorth, WV16 4AW

Weekly on Tuesday from 13:00 to 15:00

Find information, services and resources to help you navigate SEND.

Find local support

Our online directory brings together groups, services and organisations offering support to children, young people and their families — including local, regional and national organisations.

Search the directory

directory.shropshire.gov.uk/fis/?service_type=6099

What can you find?

- Education
- Health
- Social care
- SEND support
- Family support
- Activities and things to do

The Local Offer is designed with families at the heart of the service.

Help us improve the SEND Local Offer

We welcome your comments and feedback.

FOR CHILDREN SCHOOL YEAR ONE AND UP

This is a session for parents and their children to take part in together

Art club

Come along and get ready to create, paint and have lots of fun! We will be making all sorts of crafts and paintings.

When:
Thursdays 3:15pm-4:15pm

Where:
Hazel class

Who:
Miss Tams and anyone who wants to join.

Book Club

Do you want to join a book club?

Miss Evans is starting a book club for KS1 and KS2.

A club suited for everyone who enjoys reading

Listen to a wonderful story whilst drinking a hot chocolate!

Enjoy doing some fun activities based on the story.
